Cheating

- This is not **fair**

Cheating

- You need to understand what is permitted and what is not
- Permitted
 - Studying together (this is encouraged)
 - Sharing Internet resources (links), discussing problems, approaches, concepts
- Not Permitted
 - Sharing code
 - Copying code (more details on this, later)
 - Discussing anything with anyone during an exam/quiz
 - Using unauthorized material during an exam/quiz

Cheating

- Permitted
- You are encouraged to study together (if you want to),
- Discuss problems, share ideas, approaches
- Share any good resources on line

Cheating

- Not Permitted
- Anything Else!
- For example (**but not limited to:**)
- Sharing or copying code from others in class
- Any collusion during an exam (quiz)

Cheating

- The penalty for cheating (unauthorized collusion) is:
- **-100 Points** for that exam or assignment grade
- AND the **final grade lowered by one letter grade**
- AND being **reported to The Office of Student Conduct**

Last
